

Your support continues to transform lives and communities in areas of extreme poverty in Uganda through the power of God's love. Here is a snapshot of your impact:

## CELEBRATING 15 YEARS

Engage Hope started 15 years ago with a simple connection between believers in the U.S. and those in Uganda.

Since then, we have watched God move in remarkable ways - lives transformed, churches strengthened, and hope restored.

Today, we celebrate how your support has allowed Engage Hope to create change over the last 15 years.

## SPONSOR-A-CHILD

### Fee Updates

**Beginning January 1, 2026, the monthly sponsorship rate for students entering Primary 7 and Secondary (S1-S6) levels will be updated from \$55 to \$60.**

This adjustment reflects rising food costs and the need to maintain competitive teacher salaries.

Sponsorship for children in Baby Class through Primary 6 will remain at \$40 per month.

Sponsors with children entering Primary 7 should have received an email regarding the transition to the higher boarding rate. Should the revised tuition cost create a hardship, we encourage you to contact our office at [sponsorships@engagehope.org](mailto:sponsorships@engagehope.org). Together, we'll explore options to ensure your child's educational journey remains uninterrupted.

2026 Class Level	2025 Sponsorship (per child sponsored)	2026 Sponsorship (per child sponsored)
Baby Class, Middle Class, Top Class, and Primary 1-6	\$40	\$40
Primary 7 and Secondary (S1-S6)	\$55	\$60

### Secondary 6 Student Graduations

Congratulations to our S6 students who have graduated secondary school this year! They have just completed the Uganda Advanced Certificate of Education (UACE) exam, which will determine their eligibility for post-secondary school (university or vocational) in 2026.

For any sponsors who had children in S6 this year who graduated, we will reach back out to you in March after their exams results are finalized to discuss next steps for their sponsorship.

## YOUR SUPPORT MADE THIS POSSIBLE

### SPONSORSHIP UPDATE

#### Before Engage Hope...

Daniel spent his nights on the cold streets until the age of six. He was hungry, tired, and covered in untreated wounds. The only clothing he had was an oversized, torn shirt.

#### After Engage Hope...

Thanks to support from our donors, Daniel was rescued by our ministry partner African Hearts. Today, he serves in the local Church and studies at the University to become an accountant.

## HOUSE OF HOPE UPDATE

The whole house has been repaired, plastered, and repainted on the inside and the outside.

Tiles are being installed inside the bathrooms and the balcony.

The old kitchen has been demolished and a new one is being built to meet the current kitchen needs.
